### **Announcing the recipients of the 2024 Philadelphia Titan 100**

Titan CEO and headline sponsor Wipfli LLP are pleased to announce the 2024 Philadelphia Titan 100. The Titan 100 program recognizes Philadelphia's Top 100 CEOs & C-level executives. They are the area's most accomplished business leaders in their industry using criteria that include demonstrating exceptional leadership, vision, and passion. Collectively, the 2024 Philadelphia Titan 100 and their companies employ nearly 140,000 individuals and generate over \$14.6 billion in annual revenues. This year's honorees will be published in a limited-edition Titan 100 book and profiled exclusively online. They will be honored at the annual awards ceremony on September 19th, 2024, and will be given the opportunity to interact and connect multiple times throughout the year with their fellow Titans.

"The Titan 100 are changing the way that business is done in Philadelphia. These preeminent leaders have built a distinguished reputation that is unrivaled and preeminent in their field. We proudly recognize the Titan 100 for their efforts to shape the future of the Philadelphia business community. Their achievements create a profound impact that makes an extraordinary difference for their clients and employees across the nation." says Jaime Zawmon, President of Titan CEO.

This year's Titan 100 embodies the true diversity of Philadelphia's business landscape. The 100 Titans represent manufacturing, technology, healthcare, manufacturing, retail, education, banking/finance, professional services, non-profit organizations, and more.

The annual Titan 100 awards celebration on September 19th, 2024, will be held at 2300 Arena in South Philadelphia: The best-kept secret of event spaces, a 12,000 + square-foot multipurpose indoor arena tucked quietly under 95 hosting live-streamed WWE and UFC matches to 76'ers and Flyers fundraising events to private wedding receptions and galas. This unique cocktail-style awards event will gather 100 Titans of Industry for an evening, unlike anything that exists in the Philadelphia business community.

"On behalf of the partners and associates at Wipfli we congratulate all the Titan100 winners. It's an honor to recognize this diverse group of leaders in the Philadelphia community. We appreciate the lasting impact each leader has made, and continues to make, in building organizations of significance that in many cases have not only local but national and international reach. Your ingenuity and creativity have set you apart, and the honor of being seen as an industry Titan is richly deserved," says W. Bradley Baturka, Mid-Atlantic Leader and Partner at Wipfli.

In addition to celebrating 100 Titans of Industry, Titan CEO and Wipfli will be recognizing the Titan 100 Hall of Fame. This prestigious honor has been awarded to only eleven Titan 100 honorees as part of this special commemoration.

Titan award recipients are eligible to make the Titan 100 list for up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions where they do not know what will be asked in front of a live judging committee.

The Titan 100 Hall of Fame is a class of elite executives that have consistently shown over the past three years their ability to demonstrate the characteristics of a Titan who is a pillar of our community.
