Announcing the recipients of the 2024 Phoenix Titan 100

Titan CEO and headline sponsor Wipfli LLP are pleased to announce the 2024 Phoenix Titan 100. The Titan 100 program recognizes Phoenix's Top 100 CEOs & C-level executives. They are the area's most accomplished business leaders in their industry using criteria that include demonstrating exceptional leadership, vision, and passion. Collectively, the 2024 Phoenix Titan 100 and their companies employ over 105,000 individuals and generate over \$34 billion in annual revenues. This year's honorees will be published in a limited-edition Titan 100 book and profiled exclusively online. They will be honored at the annual awards ceremony on September 26th, 2024, and will be given the opportunity to interact and connect multiple times throughout the year with their fellow Titans.

"The Titan 100 are changing the way that business is done in Phoenix. These preeminent leaders have built a distinguished reputation that is unrivaled and preeminent in their field. We proudly recognize the Titan 100 for their efforts to shape the future of the Phoenix business community. Their achievements create a profound impact that makes an extraordinary difference for their clients and employees across the nation." says Jaime Zawmon, President of Titan CEO.

This year's Titan 100 embody the true diversity of Phoenix's business landscape. Representing construction/real estate, healthcare, technology, hospitality, professional services, and non-profit organizations among others.

The annual Titan 100 awards celebration on September 26th, 2024, will be held at the Chateau Luxe. Set amongst spectacular Sonoran Desert views, Chateau Luxe is Arizona's most luxurious and nationally recognized event destination. This unique cocktail-style awards event will gather 100 Titans of Industry and their guests for an evening unlike anything that exists in the Phoenix business community.

“On behalf of all the partners and associates at Wipfli we congratulate all the Titan100 winners. It’s an honor to recognize this diverse group of leaders in the Phoenix community. We appreciate the lasting impact each leader has made, and continues to make, in building organizations of significance both here in Arizona and abroad. Your ingenuity and creativity have set you apart, and the honor of being seen as an industry Titan is richly deserved,” says Ryan Lindsay, partner at Wipfli.

In addition to celebrating 100 Titans of Industry, Titan CEO and Wipfli will be recognizing the Titan 100 Hall of Fame. This prestigious honor has been awarded to only ten Titan 100 honorees as part of this special commemoration.

Titan award recipients are eligible to make the Titan 100 list up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions where they do not know what will be asked in front of a live judging committee.

The Titan 100 Hall of Fame are a class of elite executives that have consistently shown over the past three years their ability to demonstrate the characteristics of a Titan who is a pillar of our community.

The Hall of Fame recipients have been noted in **bold** and with an asterisk (*).
