

TITAN 100

This recognition demonstrates that leading with empathy and inclusion can achieve extraordinary business results, and that everyone can positively impact their community. The Titan platform gives the next generation of leaders invaluable access to success frameworks that help them uncover their own values and chart their own paths.

Chair | Partner | CEO | SignautreFD

Titan 100 provides an opportunity to collaborate with other Titans to address the structural and systemic issues that impact people living in poverty, including those experiencing homelessness. This network is part of the solution. It is up to Titans in our communities to embrace the lessons and resources gained through this experience and apply them in order to make our communities equitable and stronger for all.

Raphael Holloway
CEO | Gateway Center

Recognition as a Titan 100 has been a humbling and celebratory experience. It absolutely feels great to be recognized for all the hard work that has gone into building my company but also amazingly humbling to see how others have tackled great challenges and built game changing, impactful businesses across the state. I find the greatest value in this platform is the ability to engage with these true Titans, learn from them and share what I have learnt along the way.

Anju Mathew
Co Founder | CEO | OncoLens

As a Titan 100 honoree, the recognition has provided an opportunity for accelerated networking and learning from diverse perspectives. The true value of this platform lies in the potential for sustained growth, fostering enduring connections and knowledge exchange among individuals with different yet complementary experiences and mindsets.

TITAN 100

Being a Titan has been nothing short of a true blessing. The validity as a businessman that comes with this title is priceless. Being honoured with some of the greatest minds in the Georgia region and nation has been a dream come true!

Demond Crump
Founder & CEO | REIGN Premium Sanitary Napkins

Recognition as a Titan strengthened my dedication to servant leadership, driving me to support contacts, partners, clients, vendors, and employees actively. This approach enhanced my leadership skills while fostering others' success. The Titan platform's value is in its exposure and networking opportunities, allowing genuine connections with successful business leaders, creating an enjoyable and enriching experience.

Don Bravaldo
President | Bravaldo Capital Advisors

It's gratifying to be among this cohort of exceptional leaders in the Georgia Titan 100 2023 class. I appreciate the focus on connections, building depth, and creating community. The experience has broadened my peer network, introducing me to others outside my industry and professional specialty. And we've fun together!

Renee Stevens
Chief People Officer | Honey Baked Ham

A singularly unique, rewarding experience. The greatest value is from networking with other CEOs and getting a deeper understanding of their initiatives and learnings. Also, being part of the inspiration that allows other leaders to grow and lead through insights and ideas derived from the best leaders in the country.
