FOR IMMEDIATE RELEASE

October 16th, 2024

Announcing the recipients of the 2025 Wisconsin Titan 100

Titan CEO and headline sponsor Wipfli LLP are pleased to announce the 2025 Wisconsin Titan 100. The Titan 100 program recognizes Wisconsin's Top 100 CEOs & C-level executives. They are the area's most accomplished business leaders in their industry using criteria that include demonstrating exceptional leadership, vision, and passion. Collectively, the 2025 Wisconsin Titan 100 and their companies employ over 113,000 individuals and generate over \$118 billion in annual revenues. This year's honorees will be published in a limited-edition Titan 100 book and profiled exclusively online. They will be honored at the annual awards ceremony on January 30th, 2025, and will be given the opportunity to interact and connect multiple times throughout the year with their fellow Titans.

"The Titan 100 are changing the way that business is done in Wisconsin. These preeminent leaders have built a distinguished reputation that is unrivaled and preeminent in their field. We proudly recognize the Titan 100 for their efforts to shape the future of the Wisconsin business community. Their achievements create a profound impact that makes an extraordinary difference for their clients and employees across the nation." says Jaime Zawmon, President of Titan CEO.

This year's Titan 100 embody the true diversity of Wisconsin's business landscape. Representing manufacturing, construction/real estate, healthcare, financial services, professional services, and non-profit among others.

The annual Titan 100 awards celebration on January 30th, 2025, will be held at the Fiserv Forum. This unique cocktail-style awards event will gather 100 Titans of Industry and their guests for an evening unlike anything that exists in the Wisconsin business community.

“On behalf of the partners and associates at Wipfli, we congratulate the 2025 Wisconsin Titan 100 honorees. We appreciate the lasting impact each leader has made, and continues to make, in building organizations of significance both in Wisconsin and abroad. Your ingenuity and creativity have set you apart, and the honor of being seen as an industry Titan is richly deserved,” says Gina Skibo, Partner at Wipfli.

In addition to celebrating 100 Titans of Industry, Titan CEO and Wipfli will be recognizing the Titan 100 Hall of Fame. This prestigious honor has been awarded to only eleven Titan 100 honorees as part of this special commemoration.

Titan award recipients are eligible to make the Titan 100 list up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions where they do not know what will be asked in front of a live judging committee.

The Titan 100 Hall of Fame are a class of elite executives that have consistently shown over the past three years their ability to demonstrate the characteristics of a Titan who is a pillar of our community.

The Hall of Fame recipients have been noted in **bold** and with an asterisk (*).

About Titan 100

The Titan 100 is a national program in 8 markets across the country that recognizes the top 100 CEO's and C-level executives in a region. Representing both the private and public sector, these Titans of Industry demonstrate exceptional leadership, vision, passion, and influence in their field. The Titan 100 are recognized at an annual awards event, published in the Titan 100 book, and given the opportunity to build relationships with their fellow Titans by connecting multiple times throughout the year. Titans must be nominated and selected annually with the pinnacle achievement of being recognized as an elite Hall of Fame honoree in their third year. The Titan 100 is one of the fastest-growing, most powerful communities of executives across the nation. Learn more at www.titan100.biz

About Wipfli LLP

With more than 70,000 clients and approximately 3,100 associates, Wipfli ranks among the largest accounting and advisory firms in the nation. We bring integrated solutions to help our clients turn data into insights, optimize workflows, increase margins, and transform through digital innovation.
