Announcing the 2025 Colorado Titan 100 Recipients

Titan CEO and headline sponsor Wipfli LLP are pleased to announce the 2025 Colorado Titan 100. The Titan 100 program recognizes Colorado's Top 100 CEOs & C-level executives. They are the area's most accomplished business leaders in their industry using criteria that include demonstrating exceptional leadership, vision, and passion. **Collectively, the 2025 Colorado Titan 100 and their companies employ over 59,000 individuals and generate over \$35 billion in annual revenues.** This year's honorees will be published in a limited-edition Titan 100 book and profiled exclusively online. They will be honored at the annual awards ceremony on June 5th, 2025, and will be given the opportunity to interact and connect multiple times throughout the year with their fellow Titans.

"Colorado's Titan 100 are redefining business with vision and purpose, setting new standards for growth, innovation, and impact. These trailblazing leaders inspire transformation across industries, uplift communities, and drive meaningful change. We proudly celebrate their legacy of excellence and unwavering commitment to shaping a brighter future for all," says Jaime Zawmon, President of Titan CEO.

This year's Titan 100 embody the true diversity of Colorado's business landscape. Representing construction, marketing & advertising, financial services, food & beverages, information technology & services, and non-profit sectors, among others.

The annual Titan 100 awards celebration on June 5th, 2025, will be held at Magness Arena in Denver, CO. The home of champions, Magness Arena is a multi-use venue within the Ritchie Center. This unique cocktail-style awards event will gather 100 Titans of Industry for an evening, unlike anything that exists in the Colorado business community.

"On behalf of the entire team at Wipfli, we extend our heartfelt congratulations to the Titan 100 winners. It is a privilege to celebrate this remarkable group of leaders within Colorado's business community. We deeply value the enduring contributions each leader has made, and continues to make, in shaping significant organizations both locally and globally. Your innovation and creativity distinguish you, and the recognition as an industry Titan is truly well-earned," says Pete Aden, Partner at Wipfli.

In addition to celebrating 100 Titans of Industry, **Titan CEO will be recognizing the Titan 100 Hall of Fame. This prestigious honor has been awarded to only twelve Titan 100 honorees as part of this special commemoration.**

Titan award recipients are eligible to make the Titan 100 list up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions where they do not know what will be asked in front of a live judging committee.

The Titan 100 Hall of Fame is a class of elite executives that have consistently shown for over three years their ability to demonstrate the characteristics of a Titan who is a pillar of our community.

The Hall of Fame recipients have been noted in **bold** and with an asterisk (*).
